

ROTARIAN EUROPEAN STARS 2024

RES 2024 is a weekend seminar to support young people, especially students, career starters, potential managers and high-potentials from a wide range of industries. The seminar focuses on Europe, how you want to be a part of it, teamwork and your willingness and motivation to take on responsibility. Dare to think outside the box in dialogue with the other participants and find exciting new ideas about values and meaning in your private, professional and social life.

The three-day programme includes outdoor activities, talks by diverse personalities, group exercises, discussion rounds and fireside chats as well as plenty of time to get to know each other and network.

This seminar is intended for students and young professionals between the ages of 19 and 24. The costs for the seminar will be covered by 3 Rotary Districts.

Are you interested in exchanging ideas with committed young people and getting to know Rotarians? Are you socially committed yourself? Do you know the European History and the economic and cultural interdependencies of the member states? Then apply for the RES seminar today! We look forward to receiving your documents: please send an informative CV incl. a picture, certificates and a letter of motivation explaining why we should definitely take you on board. Proof of social commitment is a booster.

ROTARIAN EUROPEAN SPEAKERS

Head of the Department of Modern History at the Institute of History at the University of Stuttgart. Main areas of research: political cultural history, in particular the aestheticisation of the political; literature and history; cultural history of the European power system; Weimar Republic; Nazi rule

Prof. Dr. Wolfram Pyta, RC Stuttgart-Weinsteige

Author, publisher, guide, photographer, lecturer, speaker, travel consultant and event coordinator. In 2007, during European Union's 50th Anniversary in Berlin, Martin Sloboda was selected into the European Union Panorama of "27 True Europeans" representing Slovakia among 27 member states.

Martin Sloboda, RC Bratislava

Franco-German Consultant, Trainer and Coach with a wealth of experience in strategy development, organizational development, and leadership development. With career spanning various roles at Ernst & Young, Capgemini Consulting and T-Systems she is driven by a passion for empowering organizations and people to grow and to navigate successfully through complex business transformations.

SOCIAL PROJECT

Not only should you benefit from the seminar, you should also selflessly do something good for others in the Rotarian spirit: please start thinking now about what kind of project your group will set up this year. There are no limits to your imagination: whether it's sleeping bags for the homeless or toys for kindergartens, whatever it is, you should help disadvantaged people. **We ask each participant for a donation of 50 EUR**, and we from the district will add the same amount on top. This leaves 3000 EUR available for your project. Make something of it!

APPLICATION

Apply now! We need an informative CV with a picture, certificates and a letter of motivation explaining why we should definitely take you on board. Proof of social commitment increases the probability of participation enormously.
